

## Volunteer Hike Leader

### **Purpose**

To share interest, knowledge, conservation of trails, parks, and outdoors by connecting more people to local trails through guided urban hikes/walks on the Greenway, on various trails, parks and green space (recreation) locations.

### **Job Title: (Urban) Hike Leader**

### **Key Responsibilities**

- Communicate with staff and other volunteers
- Possess knowledge of local trails system network and parks
- Deliver positive outlook of trails, parks, active living, and physical activity to create memories and positive experiences to all participants (this can include a theme if volunteer so chooses) with accurate and interesting information.
- Send post-hike email report with number of attendants and pertinent/relevant information to Executive Director and Active Transportation Liaison

Time Commitment 2-4 urban hikes a year. In addition to hikes, volunteer may be contacted to help with other event opportunities.

### **Qualifications**

Previous experience leading groups outdoors, enthusiastic about sharing trails, nature, active living, physical/mental wellness and activity with others; knowledge of natural species or other relevant information welcomed but not required, physical capability required to walk several miles. If needed due to large group, or particular hike, will have Lead and Sweep (2) Hike Leaders for added security/safety protocol.
